**AMENDMENT TO PETITION OF TIME WARNER TELECOM OF THE  
MIDSOUTH, LLC  
FOR EXPEDITED REVIEW OF CENTRAL OFFICE CODE DENIAL**

---

Time Warner Telecom of the Mid-South, LLC ("TWTC"), respectfully submits its amendment to the Petition for Expedited Review of Central Office Code Denial (the "Petition") filed with the Tennessee Regulatory Authority (the "Authority") on July 30, 2004 as follows:

The assignment request made on behalf of the Regional Medical Center at Memphis was originally for 3,000 sequential numbers. As of August 10, 2004, BellSouth has agreed to provide TWTC with 2,000 sequential numbers. Accordingly, TWTC amends its assignment request made on behalf of the Regional Medical Center at Memphis to decrease the request from 3,000 to 1,000 sequential telephone numbers in the 901 area code. TWTC does not presently have a block of 1,000 sequential telephone numbers requested by the customer. The Regional Medical Center at Memphis has an immediate need for 1,000 consecutive numbers, preferably the 901-515-0,1 or 3 blocks,

with NXX ending in "5." The Petition is amended only to reflect the change in the quantity of number blocks requested.

Respectfully submitted this 10<sup>th</sup> day of August, 2004.
